About ERMP

Eno River Media Production, established in March 1999, is dedicated to educate, facilitate and advocate the growth of the movie and television industry in North Carolina.

ERMP will accomplish this mission by educating, facilitating, nurturing and uniting independent North Carolina film and video makers, allied industries, civic and governmental organizations by propagating a network of industry professionals.

About Crafty Award

Conceived to foster economic and culinary development within the film and television industry of North Carolina through an annual election, the contest culminates in the presentation of the Crafty Award. Our mission is to showcase an array of talented food industry businesses that eagerly support our state's growing film and television industry.
