"The North Carolina Film Award's mission is to strengthen the independent film, television and video industry. The NCFA identifies and recognizes an array of talented filmmakers and their movies from across the state, region, nation and the world. The huge turnout and amazing quality of the submissions was very challenging to judge; nevertheless we stepped up to the challenge and made decisions. The winners in each category truly deserve this honor." said Festival Director Ben Dock.

#### About ERMP

Eno River Media, established in March 1999, is dedicated to educate, facilitate and advocate the growth of the movie and television industry in North Carolina.

ERMP will accomplish this mission by educating, facilitating, nurturing and uniting independent North Carolina film and video makers, allied industries, civic and governmental organizations by propagating a network of industry professionals.

## About NCFA

The Mission of the North Carolina Film Awards is to strengthen the independent film, television and video industry. The NCFA shall identify and recognize an array of talented filmmakers and their movies from across the state, region, nation and the world. Features and shorts, are welcome at the North Carolina Film Awards, bringing in the widest array of artists from different disciplines.

The North Carolina Film Awards draws motion pictures and talent from around the world to North Carolina, one of the top movie and television producers in the United States. Our awards will identify the top achievers in their category. Every producer and director hopes to create an award winning movie. To a worthy cadre of independent industry craftsman, It is our honor to bring these hopes to fruition.
